#### Section A

##### A. Listen to the conversation. Then choose the best answer to complete each sentence.

- Man: What shall we do today?
- Woman: How about we play video games?
- Man: Great! I love video games. I’m a real gamer.
- Woman: Actually, I was thinking of something we could play outside.
- Man: I’m not really an outdoorsy person. And look out of the window—it’s raining.
- Woman: OK. How about we play a board game?
- Man: That sounds OK. Which one were you thinking about?
- Woman: I have Monopoly.
- Man: I’ve never played it. You’ll have to explain the rules to me.
- Woman: You have never played Monopoly? It’s a pretty popular game.
- Man: Let’s give it a try.
- Woman: Sure, I’ll go and grab the box.

##### B. Listen to the conversation. Then choose the best answer to each question below.

- Man: Did I tell you about my new hobby?
- Woman: No, what’s that?
- Man: I’ve been collecting records.
- Woman: Records? You mean for playing music?
- Man: Yes.
- Woman: That seems like a waste of money to me.
- Man: Why?
- Woman: Well, can’t you get music much cheaper from the Internet?
- Man: Yes, but records sound different. I love the artwork that you get with them too.
- Woman: Well, MP3s will last forever. One day those records won’t sound very good.
- Man: I don’t want things to last forever. It’s nice to have real objects in our lives. Too many things are digital already.
- Woman: Well, I guess that’s true.
- Man: Have you ever heard a record?

Woman: No, I haven't.  
Man: OK. Come over later. I'll show you my collection and we'll listen to some records.  
Woman: Sure. What time?  
Man: How about after dinner? Around 8:00.  
Woman: That's a little too late. I can be there at 7:30.  
Man: OK, see you then.  
Woman: Bye!

**C. Listen to the talk. Then choose the best answer to each question below.**

Hello, my name is Peter. Today I'm going to tell you about my hobbies and interests. I like to do a wide range of activities. I am an active person, so I like to swim, go hiking and pump iron at the gym. However, I also like to relax too. I love to play chess and I am a real movie buff. My favorite movie genre is horror. I think I have seen almost every horror movie! My girlfriend doesn't like horror movies, though. She prefers documentaries. My other hobby is cooking. Every weekend I go to the market and buy fresh ingredients for the week. I think I lead a pretty healthy lifestyle.
