Vicky: Hey Eric, what’s wrong? You don’t look so good.

Eric: I’ve got a really bad headache.

Vicky: How long have you had it?

Eric: It started yesterday evening.

Vicky: What did you do yesterday?

Eric: I went to the beach. I was swimming and sunbathing.

Vicky: Did you drink plenty of water?

Eric: I had one small bottle.

Vicky: That probably wasn’t enough. I think you got dehydrated. That is a common cause of headaches.

Eric: Do you have any painkillers?

Vicky: Yes, I do. Take two of these and drink three glasses of water. You will be fine.

Eric: Thanks, Vicky. How many glasses of water do you usually drink a day?

Vicky: I usually drink around seven. Even more if I’m exercising or in the sun.

Zoe: I woke up with a terrible stomachache and a temperature of 105 degrees.

William: Make sure you have your ID and insurance card when I get there.

Zoe: I’m grabbing them now.

William: Do you know where the nearest emergency room is?

Zoe: It’s right next to the river.

William: I’m getting in the car now. I’ll be over there in about 15 minutes to pick you up, OK?
